The New Newark Symphony Hall

Newark Symphony Hall, built in 1925, is one of New Jersey's most valuable assets. Its large audience capacity, the beauty of its interior, and its superb acoustics make it irreplaceable as a facility for the performance of dance, theater and music. Newark Symphony Hall is the home of the New Jersey Symphony Orchestra, the New Jersey State Opera and the Theater of Universal Images. Other constituents include the New Jersey Ballet, the Garden State Ballet, the Newark Boys' Chorus and Newark Community School of the Arts.
